ded-i-ca-tion
noun:

1. The act of dedicating or the state of being dedicated.
2. An inscription dedicating a literary work, etc.

The two people we dedicate our senior yearbook to knew the first definition of dedication and practiced it.

Now that we know the second definition we are going to dedicate our literary work to them.

Friends To All. They Always Gave Their Time To Help Others. They Have Left A Special Place In Our Hearts. And Have Shown Us The True Meaning Of Dedication.

Gustave Anglin
Headmaster

Your class of 1982 is unique in many ways. It is composed of many students who have been with us for six years, ever since the inception of the Mario Umana School. Also, your members are young people with deep sense of camaraderie, brotherhood and committment, despite the cynicism and prejudice of others in your generation. Your academic goals and achievements have remained intact throughout the six years you have been affiliated with this school. Finally, you have shared an uncommon concern for the welfare and values of the underclass men and women in this school for whom you serve as role models.

When you leave this institution which has helped to foster your special qualities, I hope that you will maintain your personal committments to high standards in brotherhood, academic or career goals, and your personal lives. Only through your efforts will the uniqueness of your years at the Mario Umana School continue to serve as a model for others.

I thank you for your contributions to this school and, I extend to you my best wishes for a happy and productive life.

This year's Soccer team was a young one. Despite the losf the seniors, this young team proved that they would be among the top contenders next year.

Even with the problems the team had early in the year, the veteran players and some experienced new players finished out the year with determination.

The girls season ended with 8 wins and 6 losses in the tough division I league. They worked hard and had the desire to win but the luck was no where to be found.

Leaving the team will be Co-Captain Sandra Jackson and Co-Captain Janet Chin, who was elected to the Boston City League All-Star Team, and senior Robin Williams. Rounding off the starting team were Lisa Moreau, Frances Andruszkiewicz and Susan Yee.

The Mario Umana Cheerleading Squad under the direction of Ms. Levine is one of the city's finest. They participated in the Dorchester Day Parade and received the Marshall's Award as one of the three outstanding units in the parade. During the summer a number of girls participated in a summer camp for cheerleaders at Boston College where they won a number of unit citations.

This year the squad consist of senior captains Barbie Gambale and Michelle Musculus with four new members, ten veterans and Regal the Eagle, the mascot. And a special thanks goes out to Mrs. DeLorie.

The 1981-82 Umana Tech. Indoor Track Team finished a highly successful season staying competitive with the likes of West Roxbury, Hyde Park, and Jamaca Plain.

The outstanding male performer was co-captain Kurt Barnes City of Boston Champion and Massachusetts State Champion in the 300 yard run. Also outstanding was co-captain Ron Eiland, third in the City Championship and sixth in the state in the fifty yard dash.

Outstanding for the girls was co-captain Lisa Grey, third in the City of Boston, in the fifty yard dash. And Janet Chin second in the City of Boston Championship, in the high jump.

As a group this was a young team that showed great potential for the coming years.

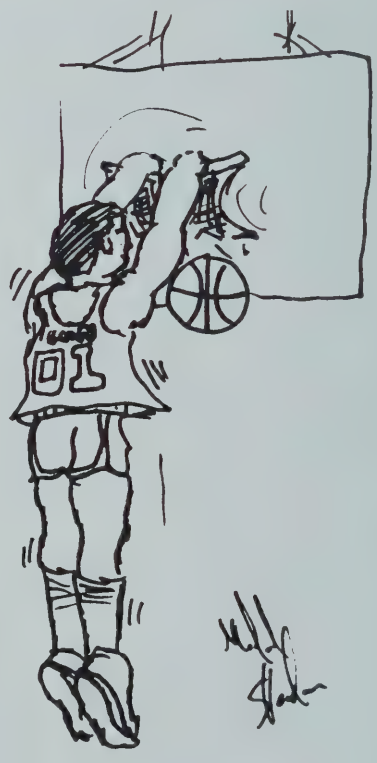
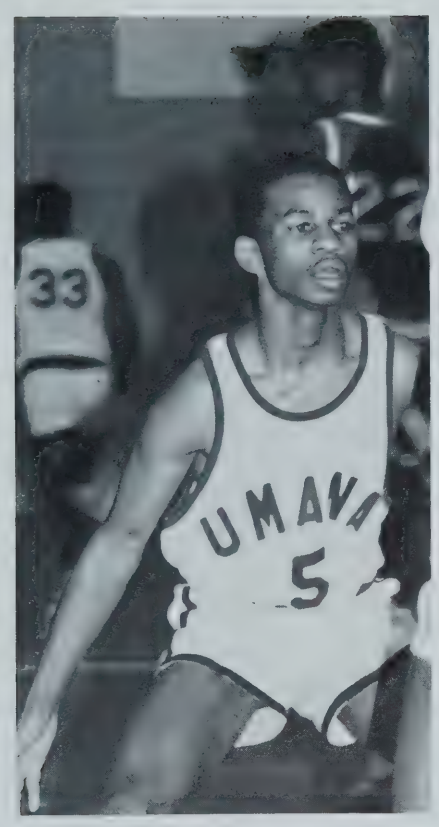
Eric Morash fights for position

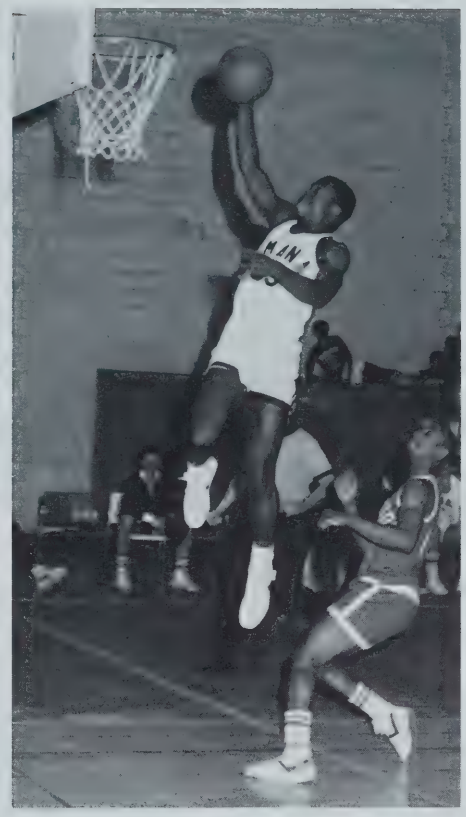


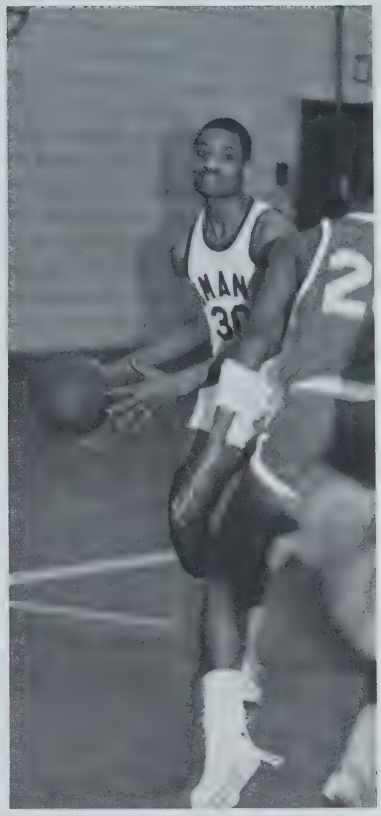
Once again it's time to give an account of the season's accomplishments. This is difficult to do as there are always aspects of the whole game which are almost always overlooked.

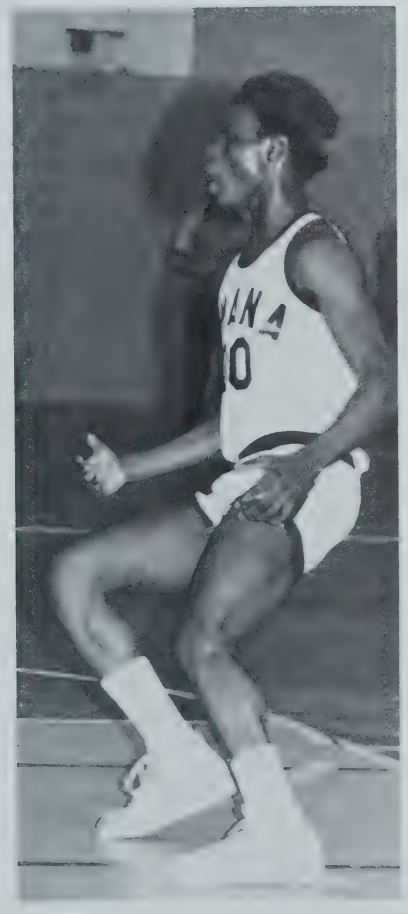
The team completed its season with an impressive record of 7 wins and 7 loses. Our original goal was to win 14 games and go on to the state tournament. We realized that this goal was not to be accomplished after our loss to South Boston High, which went on to win the City Division, as well as the State Championship Division.

the strong point of this year's team was its exceptionally quick guards: T. Portis, H. Horne, M. Harris. This kept us in most games, although we had some difficulties with opponents like Hyde Park and South Boston because of a lack of centers and big forwards. This meant that players like Quint Smith, Fitzroy Brown, and Eric Morash had to work twice as hard because of a height disadvantage.









BOYS BASKETBALL- ANDREW ROBERTS

We fought to the end of every game,
Some we won and some lost in vain,
We ran our offense with an effective flow,
While many supporters cheered us to "GO"!
Our starting five gave it their best shot,
But unfortunately many baskets would not drop,
We stuck together through thick and thin,
Because we are the EAGLES we play to win.

Hockey

The Umana Eagles skated to one of their most successful seasons. They finished with an eight win, four loss, and two tie record and qualified for both the city and state hockey championships.

Spearheading this year's sextet were seniors Jack "The Rock" Leffel, Keith "Mr. Versatile" Bean, Dave "Most Improved Player" Timony, Bill "Hi Karate" Quinn, and co-captains Ken "Hit The Post" Flagg, and Mike "Irish" Tevenan. Underclassmen Mike "Hit Everything That Moves" Bean, Rich "Tip In" Sanfilippo, Joel "Killer" Demass, Mark "The Plugger" Kelley, Frank "Mr. Hustle" Avery, Wayne "What Me Coach?" Rossi, Mike "The Monster" Miller and Arthur "Pretty Boy" King added valuable offensive support. Eric "Gold Chain" Powers provided solid goaltending throughout the year.

Nothing came easy for this year's team. They started out strong, hit a mid-season skid, and faced the final five games needing a winning streak. They did just that. They outgunned Copley, Jamaica Plain, and Brighton; came from behind to tie West Roxbury; and scored in the last minute to defeat out-of-league rival Minuteman Tech.

The Umana salutes this year's seniors for their contribution to the athletic program. Many were around for the first Umana game in 1976; many enjoyed playing in two state tournaments; and all will remember the ups and downs of their high school hockey careers. We wish you luck in the future.

Pre-Game activities

1982 was a rebuilding year for the Umana Softball Team after the graduation of seven seniors from the 1981 Chamionship Team. While the team record was not impressive, the improvement and spirit shown by the girls was very gratifying. We, the Coaches, congratulate their efforts and look forward to more successful season next year.
